VISION MISSION AND GOALS

VISION:-

We strive to make the students from rural area competent enough in all respects such as educational, rational, social, technological and economical through excellence in academic and value-based education.

MISSION:-

We are striving to create humane Society of rational, patriotic, secular, highly educated students with indomitable spirit, perseverance, dignity of work, research aptitude, who would be competent to meet the challenges of life in everchanging scenario and contribute in the development of nation.

GOALS:-

- To promote education among students who are socially, economically and educationally underprivileged, especially in rural area
- To supervise and control the conduct and discipline of the students and to make them self-reliant.

- To create social awareness, patriotism among students.**
- To make the students competent enough to survive in the Globalization.**
- To create awareness amongst students about significance of research in various fields of life**
- To provide education without discrimination of gender, caste creed, region and economic condition.**

The Vision and Mission Statement is communicated to the students, teachers and other stakeholders.
